

Memorandum of Agreement (MoA)  
Between

Universiti Tun Hussein Onn , Malaysia  
And  
Universitas Wijaya Kusuma Surabaya

No. 04/MoA/UWKS/II/2019

*Malang Declaration*

The implementation of the "Memorandum of Agreement (MoA), collectively as well as mutual cooperation, is to hold the international seminar. The implementation priorities are: (1) to bring together academics, scientists, researchers, practitioners and students in international scientific forums; (2) to share and discuss theoretical and practical knowledge about innovation in science. This international seminar can be used as a scientific forum to accommodate discussions among researchers in various fields of science. To unite parties to work together or collaborate in publicizing the advantages, minimizing deficiencies, and benefiting all parties who work together or in partnership "in total or overall" in the development of the education community.

The implementation of a "Memorandum of Agreement (MoA)" between Universitas Narotama Surabaya and Universitas Wijaya Kusuma Surabaya for organizer partners starting from Saturday, Pebruari 9-10, 2019. This Memorandum of Agreement (MoA) covers the international seminar's theme: " International Conference on Management, Business, Applied Science, Engineering and Sustainability Development". Based on the theme that has been determined for the Ko2pi Workshop, Call for Papers and Book Publication, articles that explore a range of topics which include:
